## EXPERIENCE

### WEB DEVELOPER • BLACK DIAMOND TECHNOLOGIES •

#### NOVEMBER 2019 – ONGOING

I work in the IT Department where I develop and maintain our companies CRM system. I work closely with my team and end users in an Agile environment. Occasionally I provide IT support to other departments.

### PART TIME UX/UI DE

#### SIGNER • LEXISNEXIS • AUGUST 2018 - ONGOING

I create UX designs for a product called ComplyHub -

<https://www.complyhub.co.nz>. My main role is to improve product usability, based on customer feedback, in an Agile environment. I have created several designs for different elements of the web application. The feedback has been positive.

### CASUAL TESTER • LEXISNEXIS • DECEMBER 2017 – ONGOING

I do User Acceptance Testing for ComplyHub web application before sprint releases. I record bugs during this process and return my UAT findings to the product owner.

### FULL TIME ADMINISTRATOR • JAPAN CULTURAL CENTER •

#### EMBASSY OF JAPAN • JUNE 2015 – AUGUST 2017

I worked as an administrator in the Embassy's Cultural Division. I promoted study abroad programs in Japan and managed scholarship applications under the Japanese Government Scholarship Programme. I also promoted Japanese culture in NZ by running workshops and organising large and small scale events in Wellington, such as the Japan Festival and the Japanese Film Festival. I updated content on the home page using the in house CMS while also editing HTML and CSS.

### COORDINATOR FOR INTERNATIONAL RELATIONS • HIROSHIMA CITY COUNCIL • JULY 2011 – JULY 2014

I worked for the Peace Culture Foundation located in Hiroshima Peace Park. I provided translation and interpretation for the center. I hosted diplomatic visits and NGOs involved in de-nuclearisation. I also promoted New Zealand culture by visiting schools in the region. I edited an English language newspaper for the city.
